MERRY CHRISTMAS TO ALL!

We smile when we hear "Joy to the World" during the Christmas season. And joy is a quality of the committed, practicing Catholic. God gives us so many reasons to have joy in our hearts and contentment in our souls, even in these most difficult times.

We cannot live a contented life or experience real joy unless we tend to our soul, feeding and nurturing it. Good Catholic reading is a great way to tend our soul, learning from the lives of others how to transform our own.

Matthew Kelly has been helping to transform lives for over 30 years. This year's parish Christmas gift is Kelly's book, I Heard God Laugh. In it he shares his own struggles in learning to tend his soul, to find joy in every day. I Heard God Laugh will help you do that too, and so much more. Thanks and blessings to our anonymous donor.

May God bless us all in the coming New Year with good health, a prayerful spirit, and a heart filled with peace and joy!
