SAINT OF THE WEEK

St. William of Vercelli

June 25 Memorial

William was born of noble parents at Vercelli, Italy, in 1085. Orphaned as an infant, he was raised by relatives. At age 14 William made a pilgrimage to Compostela in Spain. He then decided to live as a hermit. He once miraculously cured a blind man, then fled the crowds by moving to the summit of Monte Vergine, a mountain named to honor the Blessed Virgin Mary. There he founded a monastery with many disciples. But his rules, including wearing chainmail, were too strict, so he left to found other monasteries. He was commanded by the King of Naples to serve as his consultant. Those who envied William's influence on the king began to slander him and convince the king to test William by sending a woman to seduce him. When the woman arrived, William parted the hearth fire, lay down between the embers, and invited her to share his bed. She was shocked into repentance, gave away all her possessions, and entered a convent. William is often portrayed in art with a wolf by his side. A legend says that, while in the mountains, a wolf mauled his donkey. It was his only means of transportation. William supposedly solved the crisis by making the wolf his new beast of burden. William died at Guglietto on June 25, 1142, when only 57 years old.

We call our priests "Father," not dismissing Jesus' words ("Call no one your father..." Mt. 23:9), but recognizing that Jesus was using hyperbole, exaggeration. The apostles acknowledged this context as they often used "father" in their writings. We call our priests "Father" because fatherhood is at the core of all priesthood. The priesthood is an invitation from God to become a spiritual father to His children. All fatherhood is a reflection of the fatherhood of God. We are grateful for all our priests and most especially for our very own dear spiritual father. **HAPPY FATHER'S DAY, FATHER GEORGE!!**

We've missed you—welcome back!

Thank You to all the families that participated in our faith formation activities this year. If you participated in family liturgies, Youth Nights, service projects, The Living Nativity, field trips, Sledding Sunday, or pot luck fun— thank you for joining in! We hope you discovered, through these occasions, that your family has made new friends, explored more intently our faith, and enjoyed time with your children in at-home catechesis using our WIX website. We celebrated the Sacrament of Reconciliation and are eager for next week's Confirmation with Bishop Mike! We are already planning new ideas and will be working with other educators on next year's lessons. Please spread the news about our program with your friends. All families are welcome to join in any of our offerings! Some families have not returned since covid, please pray for them: that they know we think of them often, that we miss and love them. Maureen and I would like to personally extend our gratitude to our catechists, helpers, clean up crews, servers, bakers, and prayer partners. We make a beautiful team! Enjoy your Summer and Keep Our Faith ALIVE! If you're interested in helping in this ministry, please let us know!

1 PETER 3:15

"Always be prepared to make a defense to anyone who calls you to account for the hope that is in you."

WHAT IS THE FEAST OF CORPUS CHRISTI?

"Unless you eat my body and drink my blood, there is no life in you" (John 6:53). The Solemnity of the Most Holy Body and Blood of Christ, also known as the Feast of Corpus Christi, is a celebration of the real presence of Christ in the Eucharist. On this day we recall the institution of the Eucharist at the Last Supper....While the Last Supper is also commemorated on Holy Thursday, the Solemnity of the Most Holy Body and Blood of Christ focuses solely on the gift of the Eucharist. The mood is also more joyous than that felt on Holy Thursday, the day before Christ's passion and death. The origins of the Feast of Corpus Christi date back to the 13th century and to a nun from Belgium, Sister Juliana,...[who] had a great love for the Blessed Sacrament and believed a special feast should be held in its honor...She took her cause to Church leaders...[Her] archdeacon would go on to become Pope Urban IV, who in 1264 issued a papal bull establishing the feast for the universal Church. (Excerpted from portlanddiocese.org)

"While they were eating, Jesus took a loaf of bread, and after blessing it, he broke it, gave it to the disciples, and said, 'Take, eat; this is my body.' Then he took a cup, and after giving thanks he gave it to them, saying, 'Drink from it, all of you; for this is my blood'" (Matthew 26:26-28).

An important movement is taking place within the Church in the US — National Eucharistic Revival, a three-year process of growing closer to Jesus in the Blessed Sacrament. The Eucharistic Revival begins June 19, 2022, and has as a highlight a National Eucharistic Congress in 2024. It will involve participation at parish and diocesan levels, then expanding nationally and internationally. We have a unique opportunity to grow spiritually in relation with the Eucharistic Lord in one another and the wider Church. But will we embrace it? With polarization and politicization rampant, the danger of division is real. "Conservatives" may feel drawn to participating. "Progressives" may be less inclined. The best approach is a whole Church approach, a chance to rekindle one's love of and belief in the Real Presence which, according to recent data, has waned for many Catholics. As we look ahead to the next few exciting years, it is hoped Catholics will benefit greatly by wholeheartedly embracing this work of the Holy Spirit, rooted in the truth of Jesus Christ, truly present in the Eucharist. The ultimate vision is a movement of Catholics across the US, healed, converted, formed and unified by an encounter with Jesus in the Eucharist and sent out in mission for the life of the world.

THE BODY AND THE BLOOD OF CHRIST

In the year 1263 a German priest, Peter of Prague, decided to make a pilgrimage to Rome to ask God to deepen his faith. On the way he stopped in the town of Bolsena, Italy, where he celebrated Mass. What began as a normal liturgy, however, took a miraculous turn when Father Peter raised the host he had just consecrated. Real blood began to trickle from the host, over his hands, onto the altar cloth. After nearly a year of investigation and authentication, the miracle was confirmed and the blood-stained corporal was brought to the church at Orvieto, where Pope Urban IV was living at the time. The corporal is still on display there and attracts thousands of worshippers each year. It has been said that this miracle helped prompt Urban to institute the Feast of Corpus Christi a year later.
